SUBJECT.

In re the introduction of Triplicate Receipt Books in all the muzrai institutions of ~~Kanara~~ Mysore District

From

The Deputy Commissioner, Mysore Dist

No. 184 Dated 10th Oct. 1904.

Slip B) The Amildar of the T. narsipur Taluk reports to the District muzrai Officer that there are very many renowned muzrai institutions in his Taluk; that Sevarthadars almost every day resort to these temples and especially to the Sri mallikarjuna Swamy temple for the conduct of Sevas at mudakatore; the system now obtaining in these temples is that a Register is maintained in each of them wherein the name of Sevarthadar is merely mentioned without any details. He points out that this system gives

room to ample mischief in regard to the proper utilization of amounts and provisions presented by the Sevarathadars to the respective temples, and requests sanction to get Triplicate Receipt Books as per form enclosed, for use in the temples in his Taluk, one being given to the Sevarthadar, another being sent to the Taluk and the third being maintained in the temple; and proposes that the cost thereof may be met from the funds available at the credit of the Nundikatore Temple.

The Dy Commr. states that (Slip c as the suggestion appears to be a good one, Govt. may be pleased to order the system of maintaining Triplicate Receipt Books in all the institutions of his District and ~~to~~ the supply of 1000 Printed Books of 100 forms each for distribution to the several Taluks of the Mysore District.

books wanted by the T. Narasipur Taluk Amildar may as proposed be got printed out of the funds of the temples in that Taluk. But the Dy Commr wants that such books should be introduced into the temples in the whole Distt & 1000 books of 100 forms are asked. How what funds the cost is to be met has not been reported.

Submitted for orders) Muzrai Secretary's remarks:-

The Deputy Commissioner may be asked to introduce at once the Triplicate Forms into the temples in the T. Narasipur Taluk getting them printed out of the Funds of the Mudukotre temple.

The Dy Commr may be asked

to report in what other temples in the district he wants to introduce the forms & how he proposes to meet the cost of getting them printed.

Submitted to the 2nd Commissioner

The form in triplicate is approved and may be adopted in all Temples - Cost of the forms should be debited to the Temples to which they are issued.

I do not see why the Mudukulathur Temple should bear the cost of forms supplied to other Temples.
